## Ettington Church Donation

### 31 December 2009: Ettington Church donates £97.90 to Ettington First Responder Scheme

The team is very grateful to Ettington Church (Holy Trinity and St. Thomas of Canterbury) PCC and the congregation for the donation of £97.90 to Ettington Community First Responder Scheme.

A collection was held at the Christmas Crib Service on 24th December 2009. It was explained to the congregation that 50% of the proceeds would be donated to Ettington CFR Scheme. The generosity of the congregation was astounding and reflects the wonderful support that the Scheme is receiving within the community.

The team currently needs to purchase a defibrillator for its fourth set of equipment. At £700, this is a very expensive item. This donation will really help us to reach this figure. Our thanks to Ettington Church PCC for the decision to make this donation to Ettington CFR Scheme and to all the congregation at the Crib Service for their generosity.
