Ettington CFR Scheme and Ettington Church hold Joint Fundraising Event

Ettington CFR Scheme and Ettington Church held a joint fundraising event on Sunday 9th May 2010.

In addition to the fundraising element, Ettington CFR Team provided demonstrations of the life-saving equipment that we carry. The proceeds from the tea and cakes were split equally between the CFR Scheme and the Church with both organisations benefitting to the tune of £55 each. In addition, Ettington CFR Scheme received nearly £30 in donations during the event. The team would like to thank everyone who attended and who so generously supported both organisations. We'd also like to thank the villagers who made and donated cakes for this event. Many thanks to our friends at the Church, too, for co-organising the event and kindly hosting it.

Here are some photographs from the day:
