09 April 2012: 'Cracking the Egg' Event raises £200 for ECFRS

Our sincere thanks to Ettington resident, Pat Beatty, who organised an event which raised £200 for the team. Not only did Pat organise the event, but she kindly donated the massive, hand-made, Easter egg. A big 'thank you' Pat!

'Crack the Egg' Coffee Morning in aid of Ettington First Responder Scheme

Thank you to everyone who braved the rain on Easter Monday to attend Shepherd's Cottage for the chocolate Easter egg cracking and sharing morning. It was an enjoyable event and a great success when £200 was raised to help boost the funds of the Ettington First Responder Scheme. We recognise how fortunate we are to have such a scheme in the village and thank all involved. An enormous thank you to everyone for their cash contributions either on the day or individually, the provision of the marquee and the invaluable help from friends. Pat Beatty.
