New First Responder Chair

26 September 2012: Paul Mulligan steps down from Ettington CFR Team/new Chair appointed

.After over three years with Ettington CFR Scheme, Paul Mulligan is stepping down both as a First Responder and as the Chair of the Scheme. Paul has been with the Scheme since it launched in June 2009 and has been an instrumental part of its growth as well as, of course, attending a range of 999 emergencies for WMAS as a CFR. We are sad to lose Paul from the team and he takes with him our heartfelt gratitude for all his hard work, innovation and commitment.

We are delighted to announce that Mary Patel is joining the Scheme in the role of Chair. In addition to her professional experience, Mary brings a wealth of experience in running community-based charity organisations having held Trustee and Officer roles with other Ettington charities. Mary will join the existing three non-CFR members who manage the operation of the Scheme and who provide a wealth of support for the Scheme's CFRs.

Ettington CFR Scheme is currently looking to increase the number of First Responders; particularly in Alderminster and Ettington. If you're interested, please contact us at info@ettingtoncfr.org.uk
